To Our Dearest Donors and Volunteers,

June 2021

We sincerely thank you for your extraordinary generosity.

On behalf of the poor and The Ministry of Caring's Emmanuel Dining Room, I would like to express deep and sincere appreciation for your tremendous generosity through many years of service, and especially for your extraordinary help during the ongoing coronavirus crisis. In 2020, the impact of Covid-19 was devastating, forcing the dining room to adapt quickly to a new norm.

**Because of your time, willingness and amazing support, Emmanuel Dining Room has continued to serve and feed—without interruption—the many men, women and children who have come to our doors hungry.**

Last year, Emmanuel Dining Room served over 151,000 meals, even with the many challenges of the pandemic. The people served continuously expressed their appreciation that we did not abandon them – a direct result of your commitment.

**We thank you for your continuing support of drop-off prepared meals, which have been extremely helpful in feeding families.** We also thank you for your monetary donations, which have been a true blessing in supporting our day-to-day operations of the Emmanuel Dining Room, but most of all, we are grateful and humbled by your caring hearts. We miss the faces of those who have been unable to serve during the past year and we look forward to your return!

It is through your remarkable and amazing acts of love and hope that many lives have been changed. Your enormous giving has helped touch many hearts in our community.

We thank you; we need you and we are most grateful for all that you have done and continue to do to keep us afloat.

May God continue to bless you and your families with His love and grace.

Sincerely,

Maureen (ReeNee) LaFate
